

FACT OR FICTION BULLDOGS ISSUE NO 3

Hand made and hand painted in Great Britain by Peggy Davies Ceramics

2006 - 2007 LINE UP.....

Dear Collector

NEW RELEASES

I am proud to present the next 'act' in the 'FACT OR FICTION BULLDOGS' range.

Starting 2008 for us is **Another Fine Mess**. These two chums take their place alongside the 2007 star studded line up previewed above. They are indeed worthy of inclusion in the spotlight being the first 'double' bulldog to be produced. The base is in the form of a can of film on which the title of the piece is written.

Another Fine Mess is being produced in an extremely small limited edition of only 50 worldwide. This has been modelled by Andy Moss to a design by myself (Sue Fuller). They stand approximately 4.5 inches tall. The cost will be £75 inclusive of postage and packaging within the UK. Available to order February 2008 onwards.

PRIZE DRAW WINNER

I am pleased to say that the winner of the prize draw held in December last year was **Mr Sayne** from the **United States of America**. His prize was an Artist Proof of the Screen Goddess (one of a kind) which I hope he is pleased with. I will be holding another prize draw during 2008 and once more submitting the names of those who have purchased my designs during the year. As before each bulldog purchased this year will entitle you to one entry into the draw.

In the near future I hope to update the above web site to give information on past, present and future releases. I will keep you posted as to developments.

BULLDOGS IN PROGRESS

I had hoped that, as usual, I would have been able to give you a preview of the next models to be released but unfortunately they are not available yet. However, from these rough sketches I hope you can get the general idea. First up, here's a character that I hope will make you smile.

Presenting **Coco the Clown Bulldog**.

Also next time around I hope to introduce the second 'book' character to this collection - **Musketeer Bulldog**

Coco the Clown Bulldog and **Musketeer Bulldog** will be produced in limited editions of only 50 worldwide.

They will both be modelled by Andy Moss. They will stand approximately 4.5 inches tall. The cost will be £50 each inclusive of postage and packaging within the UK. There will be a £5.00 discount off each piece if you are purchasing both Coco and Musketeer pieces. Hopefully available June 2008 onwards.
