NEW RELEASES

Ladies and gentlemen, please welcome

Coco the Clown Bulldog

This 'circus clown' is ready and waiting in the circus ring to make us laugh. He will certainly liven things up as in his right hand he is holding the characteristic clown hooter.

He stands approximately 4.5 inches tall and has been modelled by Andy Moss to a design by myself. As with the other bulldogs in the **Fact or Fiction** range, **COCO'S** name will be displayed on the base.

AND introducing the second book base character

Musketeer Bulldog

Ready to protect and serve his 'sovereign' and his fellow Musketeers, this **Fact or Fiction** bulldog is standing on a base in the shape of a book on which will be depicted the title of the piece.

Due to the Potteries' annual holidays, the final painted version was not available at the time of compiling this newsletter. As soon as this is available I will post the painted version on www.bulldogs.co.uk under New Releases. For anyone who does not have access to a computer but would like to see the final version please let me know and I will send a picture out to you.

He stands approximately 4.5 inches tall and has been modelled by Andy Moss to a design by myself.

Coco the Clown Bulldog and **Musketeer Bulldog** will be produced in limited editions of 50 worldwide. The edition number will be displayed on the base and each bulldog comes complete with a Certificate of Authenticity.

The cost will be £50 each inclusive of postage and packaging within the UK. There will be a £5.00 discount off each piece if you are purchasing both Coco and Musketeer pieces.
