

## FACT OR FICTION BULLDOGS ISSUE NO 2

Hand made and hand painted in Great Britain by Peggy Davies Ceramics

### THE STORY SO FAR.....

Dear Collector

### NEW RELEASES

I am proud to present the next two stars in the 'FACT OR FICTION BULLDOGS' range.

First to ride into town is **The Duke**. As you can see this 'Marshall' is ready for a shoot out with any outlaw that fancies their luck. The base is in the form of a can of film on which the title of the piece is written.

**The Duke** is being produced in an extremely small limited edition of only 50 worldwide. This has been modelled by Andy Moss to a design by myself (Sue Fuller). He stands approximately 4 inches tall. The cost will be £50 inclusive of postage and packaging within the UK. There will be a £5.00 discount off this price if you are purchasing both The Duke and The Tramp pieces. Available to order September 2007 onwards.

Treading the boards also this time is the one and only **The Tramp**. He is dressed in a black suit complete with bowler hat and metal walking stick. Once again the base is in the shape of a can of film and bears the title of this piece.

**The Tramp** is also being produced in a limited edition of only 50 worldwide. This has been modelled by Andy Moss to a design by myself (Sue Fuller). He stands approximately 4 inches tall. The cost will be £50 inclusive of postage and packaging within the UK. There will be a £5.00 discount off this price if you are purchasing both The Tramp and The Duke pieces. Available to order September 2007 onwards.

**Remember, if you are purchasing both of these new releases the price will be reduced to £90.00 for the pair**
